Our Partnership

Guillain-Barré Syndrome Awareness Society Goals

The Guillain-Barré Syndrome Awareness Society (GBSAS) is passionate about giving people in Canada and indeed worldwide information about this rapidly progressing and potentially fatal disorder, in the hope to save lives through recognition and early intervention.

We have set an ambitious goal to reduce death in the acute progressive phase of Guillain-Barré Syndrome in Canada by 50% by 2020.

We are working to promote awareness through aggressive advertising and social media campaigns. With a goal to elevate Guillain-Barré Syndrome awareness in Canada.

Your Opportunity

The annual dinner and dance gala seeks to develop partnerships with organizations that share our values in leadership, excellence and innovation.

Community Profile

- Enhanced profile and public positioning in the community through event marketing on the GBSAS website.

Target Audience

- 500 local community businesses people & individuals.
- Tens of thousands through aggressive online campaigning.

Client Hosting Experience

- Unique hosting opportunities, connecting you more deeply with the local community and your target audiences.

Return on your investment

- Measurable, tangible benefits that show a return on sponsorship investment

The dinner and dance gala provides a number of sponsorship opportunities to involve your organization in supporting the Guillain-Barré Syndrome Awareness Society's efforts to minimize GBS fatalities.

We invite you to join us in raising vital funds to help save lives. Thank you in advance for your consideration.
